COVID-19 - Information point - April 17, 2020

INFORMATION TOWARDS STAFF AND STUDENTS

- **NATIONAL STRATEGY: THE EVOLUTION OF REGULATORY TEXTS**
  - Decree n° 2020-423 dated 14 April 2020. This decree extends the state of health emergency and the travel restriction measures until May 11, 2020.

- **UJM CONTRIBUTES TO THE MOMENTUM OF SOLIDARITY AND SUPPORTS RESEARCH TO FIGHT AGAINST COVID-19**
  - Two UJM significant contributions on the Flash-Covid 19 ANR Call for proposals
    - Thomas Bourlet (Medicine, EA GiMAP): Covid-19 Rapid diagnosis test (development and clinical validation in 7 weeks).
  - [Read the article.](#)

- **PHYSICAL AND SPORTING ACTIVITY FOR ALL**
  - SUAPS invites you each week to take on sporting challenges to achieve at home. Don't hesitate to react by posting a comment on Facebook or YouTube.
  - Check out the [new videos](#) to help you stay in shape.

STUDENTS: NEW ORGANISATIONS, NEW CALENDARS

- **2019-2020 UNIVERSITY SCHEDULE**
  - Jean Monnet University maintains the official end date of the academic year scheduled for August 31, 2020.
  - [See appendix 1 of the general study regulations 2019-2020.](#)

- **DISTANCE EDUCATION AND ASSESSMENT**
  - All training activities and all assessment activities planned until the end of the 2019-2020 academic year will be done remotely according to modalities which will be communicated directly by your Faculty, School or Institute.

- **ASSESSMENT SCHEDULE**
  - The new assessment schedule will be posted on your [MyUJM area](#).

- **SOCIAL AID**
  - The health crisis is penalizing those of the students who are forced to work to finance their studies, often by terminating their employment contracts. In order to develop a specific aid for students on this subject, the University will use the surplus of the contributions initially dedicated to campus life.

- **DISTRIBUTION OF FOOD PARCELS AND HYGIENE PRODUCTS**
  - AGORAé Saint-Etienne (charity grocery) distributes food parcels and hygiene products in order to avoid student social insecurity. These parcels are completely free and accessible to all students who need it. AGORAé opens every Friday afternoon. [On registration.](#)
UJM PREVENTIVE MEDICINE SERVICE IS HERE FOR YOU

UJM Preventive Medicine Service (MPU) provides you with specific support according to your needs: questions about your health, loneliness, stress, anxiety, sleep disorders, difficulties in managing your emotions during confinement. The multidisciplinary team (doctors, nurse, psychologist, social worker, and dietician) of the MPU is here to answer your questions and also offers telephone and / or video consultation.

Access the contact list.

STAFF: NEW PROCEDURES, NEW RESOURCES

PEDAGOGICAL CONTINUITY PLAN

An updated and completed version of the "Training" component of the Activity Continuity Plan is presented to the CFVU on April 17. It will be available online after the CFVU meeting.

INFORMATION TO ACADEMIC STAFF FROM THE UNIVERSITY PEDAGOGY SERVICE (SUP)

Each week, new training courses, such as short webinars (30 minutes to 1 hour), to maximize the use and tools dedicated to distance education are offered to academic staff. Consult the trainings.

REMUNERATION

The activity continuity plan implemented aims to guarantee everyone’s compensation. For more information on pay, you can consult the updated sheet.

CIVIL SERVICE ENTRANCE EXAMINATIONS

All examinations (AEINES and ITRF) are currently suspended and postponed to a later date. You will be notified as soon as the new registration date is known.

DISTANCE TRAINING

Take advantage of this period to train yourself, improve your knowledge or develop new skills. Several free training courses are available to you. Access training.
